SWIMMING CARD FOR THE DISABLED

The swimming card for the disabled grants entry to all indoor pools in Helsinki (for an assistant, too, if required). The card is issued to persons with a reduced functional capacity of at least 55% or grade 11 and to persons who have a public transport travel card for the disabled or a pay card for transportation service prescribed by law. The price of the card is 50 € (year 2005), and it's valid one year from the date of purchase. When purchasing the card, an identity card featuring the bearer's photo, grounds for issuing the card as well as a photo (black and white or colour) must be presented. The cards are sold at Sports Department's pools and at Kontula, Malmi, Vuosaari and the Sports Department's cashier, Töölö Sports Hall, Paavo Nurmen kuja 1 E, Mon-Fri at 9 am-4 pm.
